**3rd SEM / Textile Technology**  
**Subject : Basics of Design**

Time : 3 Hrs.

M.M. : 100

**SECTION-A**

**Note:** Multiple choice questions. All questions are compulsory (10x1 = 10)

- Q.1 An design elements that refers to the lightness and darkness of a colour.  
a) Hue                                      b) Value  
c) Texture                                    d) Line
- Q.2 What is the element that equally distributes visual weight?  
a) Line                                        b) Proportion  
c) Balance                                    d) Rhythm
- Q.3 The relationship of garment parts is what element.  
a) Texture                                    b) Line  
c) Shape                                        d) Proportion
- Q.4 Which elements has outline and silhouette?  
a) Balance                                    b) Shape  
c) Emphasis                                 d) Texture
- Q.5 Which elements has outline and silhouette?  
a) Shape                                        b) Balance  
c) Rhythm                                      d) Line
- Q.6 Texture is \_\_\_\_\_  
a) Surface feels                              b) Colour

- c) Area                      d) Drawing
- Q.7 By joining line you can create:
- a) Colour                      b) Space
- c) Shape                      d) Texture
- Q.8 What are the three primary colours?
- a) Green, Yellow, Blue
- b) Red, Yellow, Blue
- c) Orange, Red, Yellow
- d) Purple, pink, White
- Q.9 Unity of design \_\_\_\_\_
- a) Visual                      b) Focal
- c) Balance                      d) Pattern
- Q.10 \_\_\_\_\_ may be geometric or organic.
- a) Shape                      b) Value
- c) Intensity                      d) Texture

### SECTION-B

**Note:** Objective type questions. All questions are compulsory.                      10x1 = 10

- Q.11 Write the name of two elements of design.
- Q.12 Draw two types of Line.
- Q.13 Write two principle of design.
- Q.14 What is repetition.
- Q.15 Wooden blocks are used in \_\_\_\_\_ printing.
- Q.16 Photoshop is used in \_\_\_\_\_.
- Q.17 Unity of design is \_\_\_\_\_.
- Q.18 What is Tint?
- Q.19 Define Shade.
- Q.20 What is Colour?
