OFFICE OF THE PRINCIPAL, GURU DAKSH GOVT. POLYTECHNIC HISAR

Order No. 556

Date:- 8/4/24

It has been observed that many staff members of this institute do not switch off the lights of their concerned class rooms and labs after closing time of the institute. This results in consumption of electricity and increase in amount of electricity bills. Also it is observed that the load has been increased significantly on the power house due to renovation of offices, renovation of labs for accreditation purpose, establishment of smart class rooms. All these activities have been made the power cable overloaded. Due to overloading of this power cable it may damage. Sh. Ajay Kumar, Electrician and Sh. Rajbir, ALM and Security Guards are directed to switch off the lights of all the teaching blocks and workshop after the closing time of the institute on every working day. All Staff members are requested to ensure the switch off all the fans/lights every day before their departure at the time of closing of the institute. Also all staff members are requested to keep the ACs OFF when the generator is supplying the electrical energy so that generator may not heat due to large connecting loads of ACs. Security Guards are requested to inform to Sh. Sanjeev Kumar regarding the Lights/Fans installed in any labs when they found them switch ON after the closing time of the institute.
